5 bedrooms 5 bathrooms Sleeps 10

An ultra-luxury three-storey, five-bed villa located within walking distance to the beach in Guadalmina and nestled amongst tropical gardens. As soon as you approach this spectacular villa, you'll know you've chosen a property that is truly stunning. Extensive gardens of native Spanish flora surround the house, offering peace and tranquillity. The cobbled drive takes you to the entrance, and as soon as you enter the house, you'll snap into holiday mode.

High ceilings, tiled floors and crisp white walls all run throughout the property. Making your way through the grand hallway, you'll find a large, brightly lit and open-plan living, dining and kitchen area with large french doors which have pool and garden views. The living room boasts modern decor in neutral tones and two large comfortable sofas to curl up on. Adjoining the living area is a dining table that can seat ten people and is situated next to the fully-

equipped kitchen, which has a large island and everything you need to create freshly prepared meals. Like the rest of the space, the kitchen is bathed in natural light and as it's perfectly positioned to look onto the greenery, making morning coffee here is a real pleasure.

Because the villa has both indoor and outdoor dining areas, you can socialise and get comfortable in whichever part of the house you choose. The outside seating area is perfect for dining al fresco, where you can spend the evenings sipping on Spanish wines whilst the warm air flows around you or open the french doors and let the gentle Spanish breeze swirl through the indoor dining room.

The main bedroom is on the first floor and features a walk-in wardrobe, dual en-suite bathrooms with jacuzzi tubs, and a private terrace. The remaining four bedrooms all have stylish en-suite bathrooms and are airy and spacious (with one being located on the ground floor). True to the villa's luxurious aesthetic, each bedroom is decorated in neutral tones and dotted with touches of stylish furniture. The adjoining bathrooms are sleekly decorated with marble and modern fixtures and fittings. With a bathroom for each bedroom, privacy truly is no issue here. Every floor on the property has large windows and beautiful views of the grounds, so guests can enjoy waking up and settling into the day with a coffee in hand.

It's hard to choose a highlight from this ultra-chic villa, but guests love that there's a cinema room and gym on the lower level, along with an office space for those who need to catch up on a quick bit of work. The highlight of the gardens is undoubtedly the private pool. Guests spend hours here, and with comfortable sun loungers included, sun worshippers will be in their element. For a change of scenery, make your way upstairs to the rooftop terrace where you can sunbathe or dine with friends and family.

Villa Galicia is a stylish and modern five-bedroom villa, within walking distance to beach, that is truly stunning and just screams luxury.
